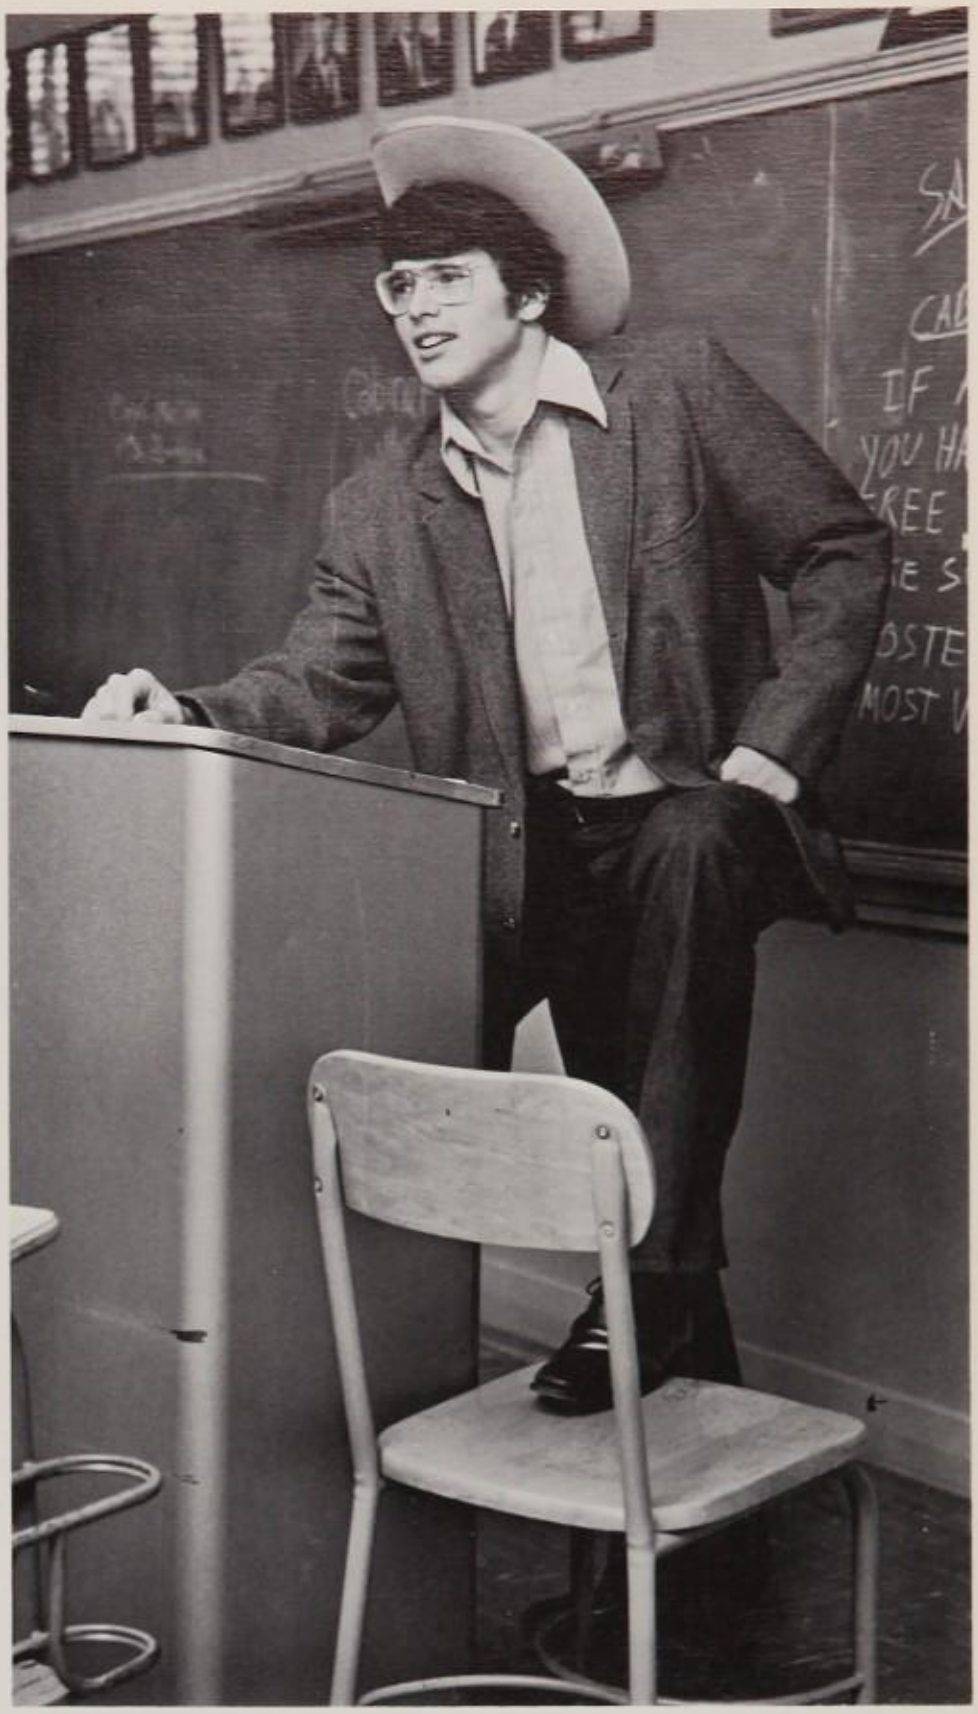
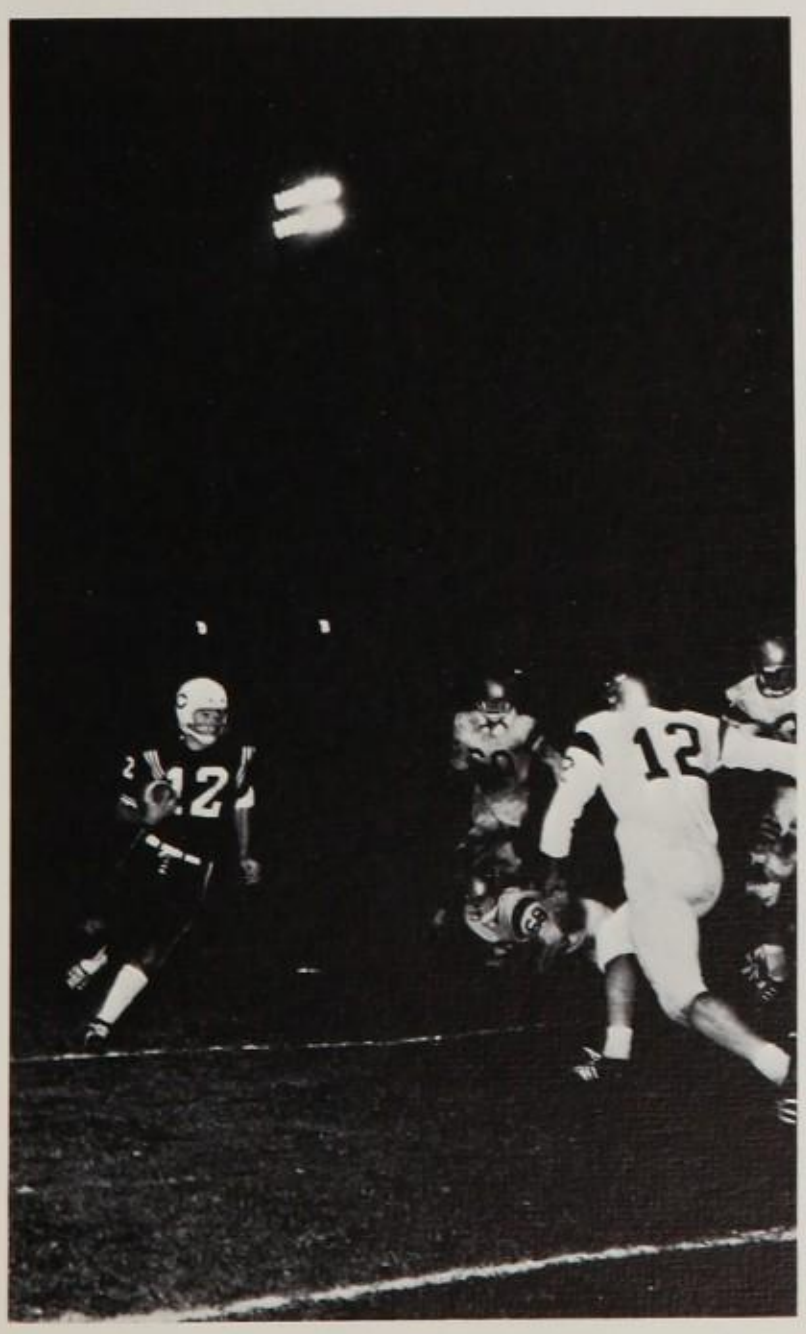
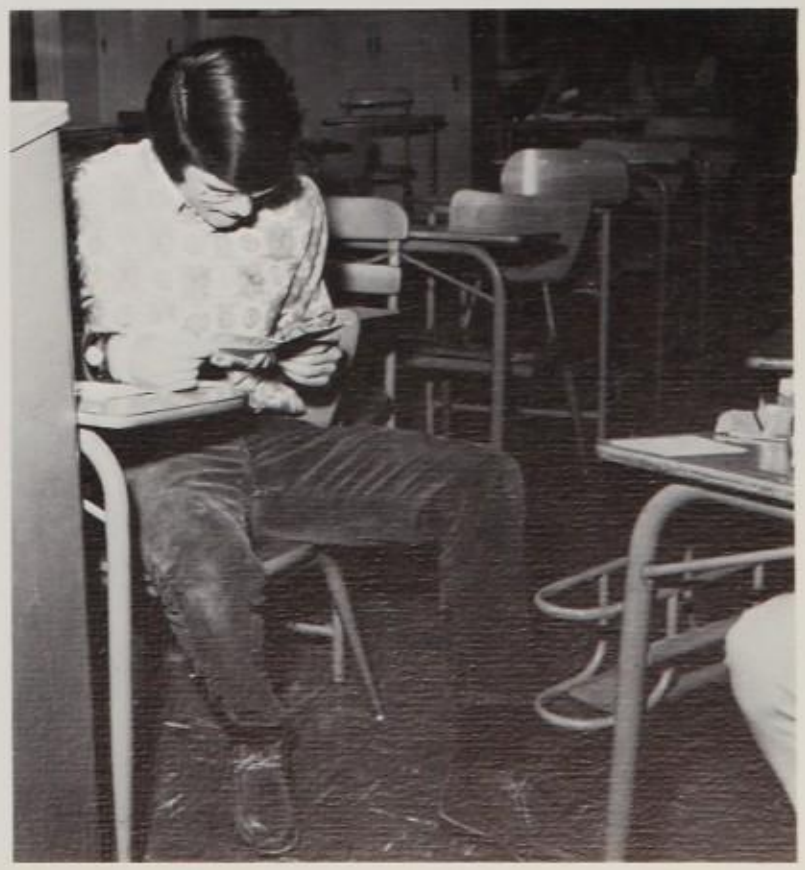
Advisor

This semester's eighteen cabinet members, with the leadership of spirited senior Phil Kanehl, have combined their liberal views and progressive ideas to plan an outstanding semester for the student body. Awareness and involvement seem to be the key adjectives for this group. Believing that students should be exposed to external happenings as well as school events they planned a Political Emphasis Week to coincide with the state wide elections. The annual Spirit Week, ending with the crowning of this year's homecoming queen, was another job well done. On behalf of our school, Les Mémoires Staff commends their efforts.

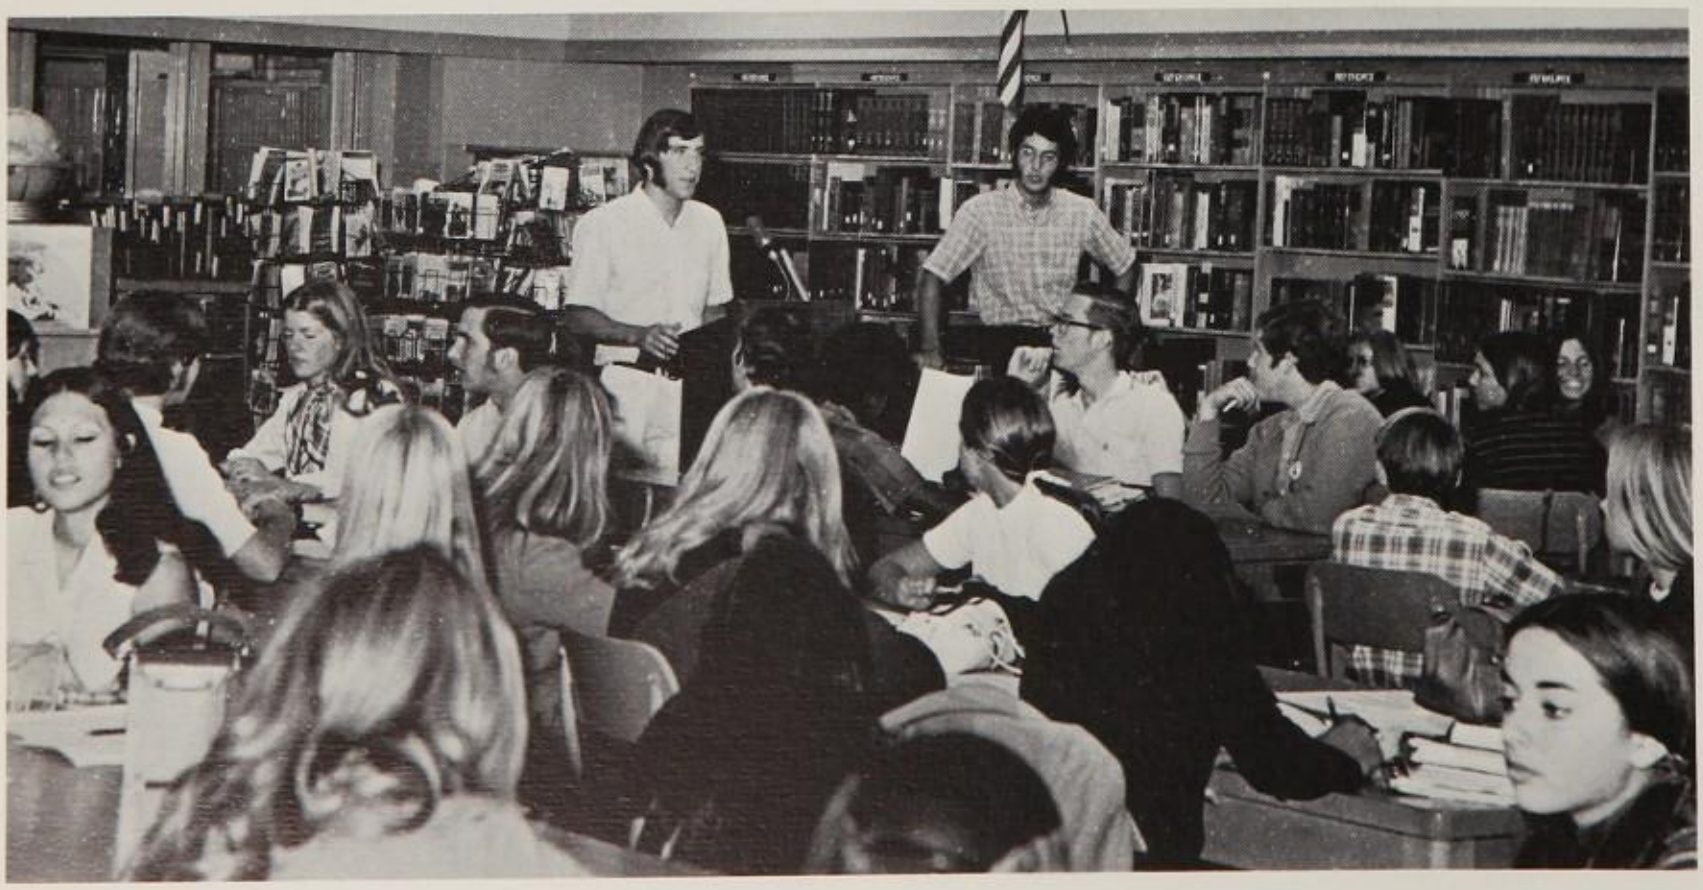
Affable Phil Leads Fall Semester







House Of Representatives



Students Take Week to Emphasize Politics

The week of October nineteenth through twenty-third was designated as Political Emphasis Week. Due to the combined efforts of Steve Paul, Director of Cultural Affairs, and Debbie Gold, Director of Public Relations, it was a complete success. With the proximity of the November third elections, Steve, Debbie, and Student Cabinet decided to introduce the candidates and issues to the student body. At lunch on Monday, Tuesday, and Wednesday, representatives came in behalf of their candidates for Governor, State Senator, and Superintendent of Public Schools. Thursday, second period, on the athletic field, an assembly was held with a Cavalier representing each candidate and speaking in his behalf. Neil Greenbaum was Ronald Reagan; Julie Norstrand was Jess Unruh; Pete Thommen was George Murphy; Blair Levin was John Tunney; Tom McGuire was Max Rafferty; and Alex Fielding was Wilson Riles. Lisa Edelman and Jennifer Abcarian provided entertainment with a few songs containing political overtones. A mock election was held in third period classes; Unruh, Tunney, and Riles were victorious. The entire week was a worthy experience for the student body.

Powderpuff Football

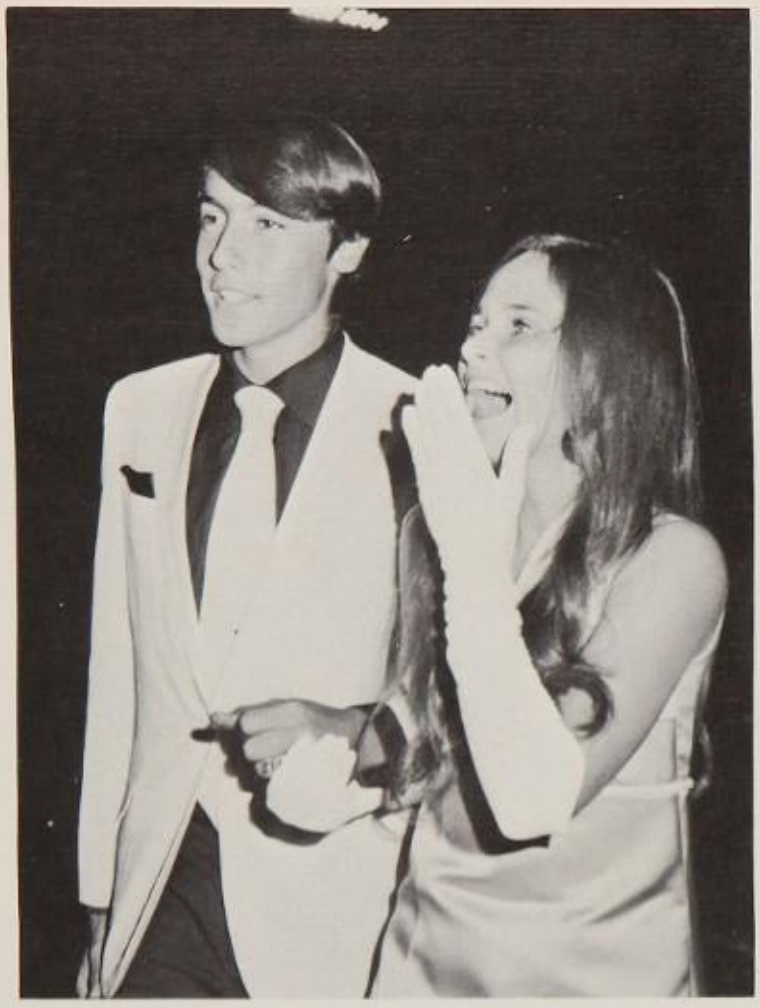
Atmosphere of Spirit Week

Dressed Up

By — Costume Day!

Cleveland's annual Spirit Week was held November second through sixth. It is easy to see why Cleveland is Number One in Spirit. Many Cavaliers participated in the daily activities planned by our industrious Director of Spirit, Mark Hansen. Monday's Vegetable Eating Contest left a few bodies very ill, but Bill Hoover triumphed as he gulped down carrots, onions and other goodies. Jordan Gussion is the proud possessor of Cleveland's most beautiful legs. This was Tuesday's comic contest. Wednesday a sober Student Cabinet walked off the field after losing the annual Powderpuff Football Game to the fleet-footed cheerleaders, with a score of 0-14. Student Cabinet, coached by Phil Kanehl, could not retain possession of the ball long enough to score. Coached by Bill Nye, the cheerleading defense allowed only two first downs, and the passing power of Cindy Fenwick and the hands of Sandy Wilshusen provided the Spirit Squad's two touchdowns. All Cleveland girls were given a chance to sign up for either team, enabling more girls an opportunity to get involved. Lisa Bolin was Sir Cavalier for the day. A number of male students donned the red, white and black cheerleading uniforms and led cheers while girls became the yell leaders. It was really a turned-around day! Debbie Dorsey and Cindi Conlon as Aunt Jemima and Uncle Tom were Cleveland's best dressed on Thursday, Costume Day. Other fashionable Cavaliers were Shannan McKee and Teresa Di Blasi as the mice; Phil Tuttobene as a woman; and Dean Kimbal wore the latest in night-wear. These and other Cavaliers really dressed up the educational atmosphere. Xavier Gonzolez won Friday's Pie Eating Contest as he nosed his way through a huge cream pie. That night Cavaliers witnessed the spectacular finale—Homecoming.

"Everyone Knows It's Wendy."

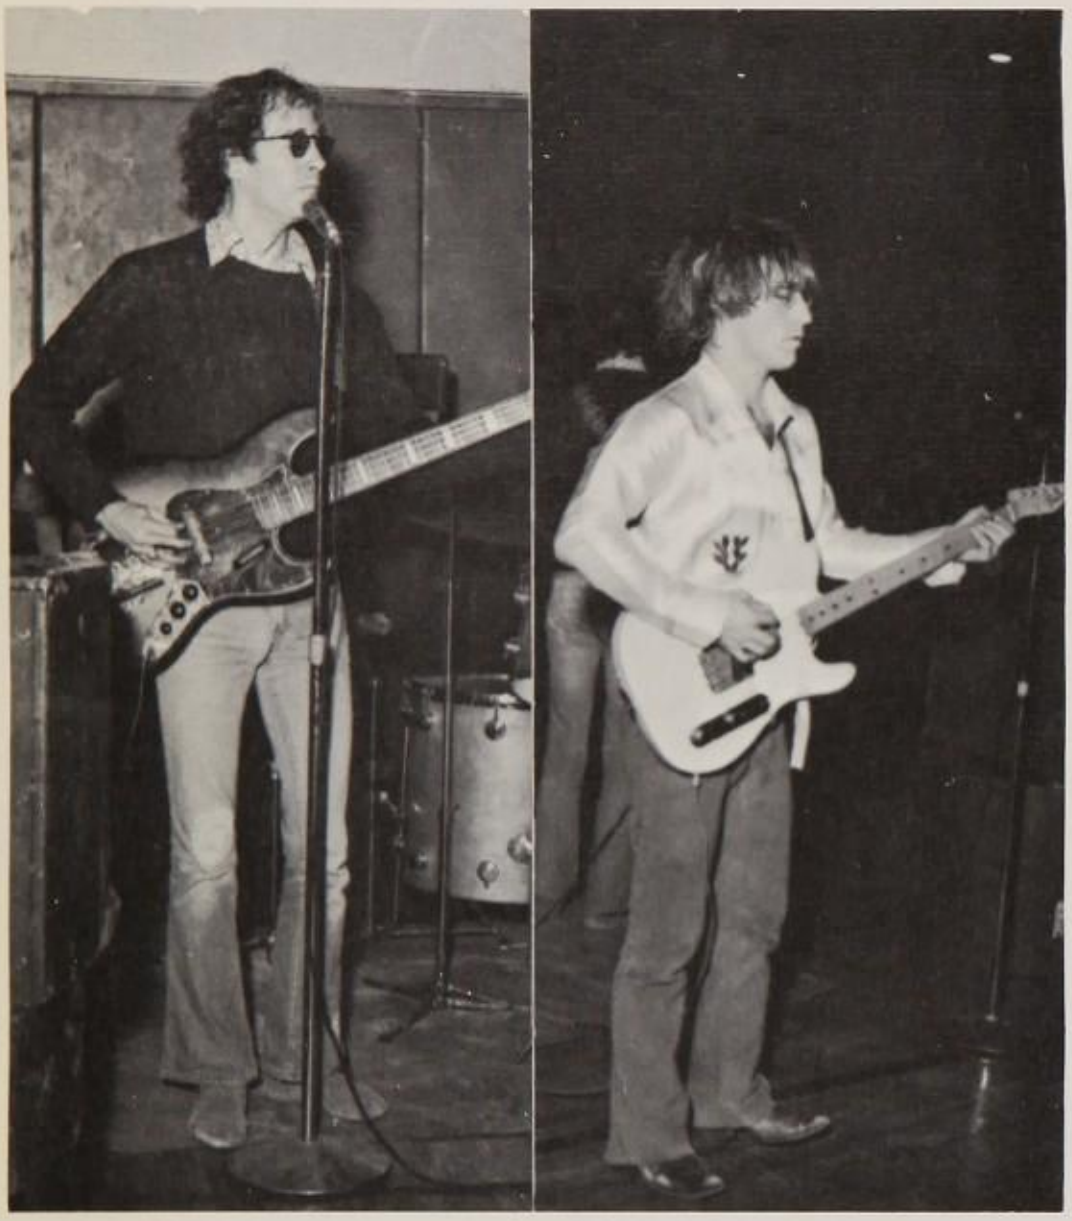


At half time on Friday night, November 6, 1970, as a culmination to the amusing activities of Spirit Week, six of Cleveland's lovliest beauties assembled on the field. An intense suspense hung over the crowd as this year's homecoming queen and her court were announced. The Cavaliers were ahead of their opponent, Reseda, and the excitement was building. Blair Levin introduced each nominee and her escort. The princesses were named, each being one step closer to the crown. They were Karen Marcus, Cheri Gorman, Shirley Yamamoto, Mary Lou McClay and Sherry Chadwick. Wendy Lockwood, the captivating junior, captured the crown. Amid the tears of joy, the girls were escorted to the stands where they watched the remainder of the game. Afterwards the girls and their escorts went to the victory dance. It was a beautiful ending to a fun-filled week.

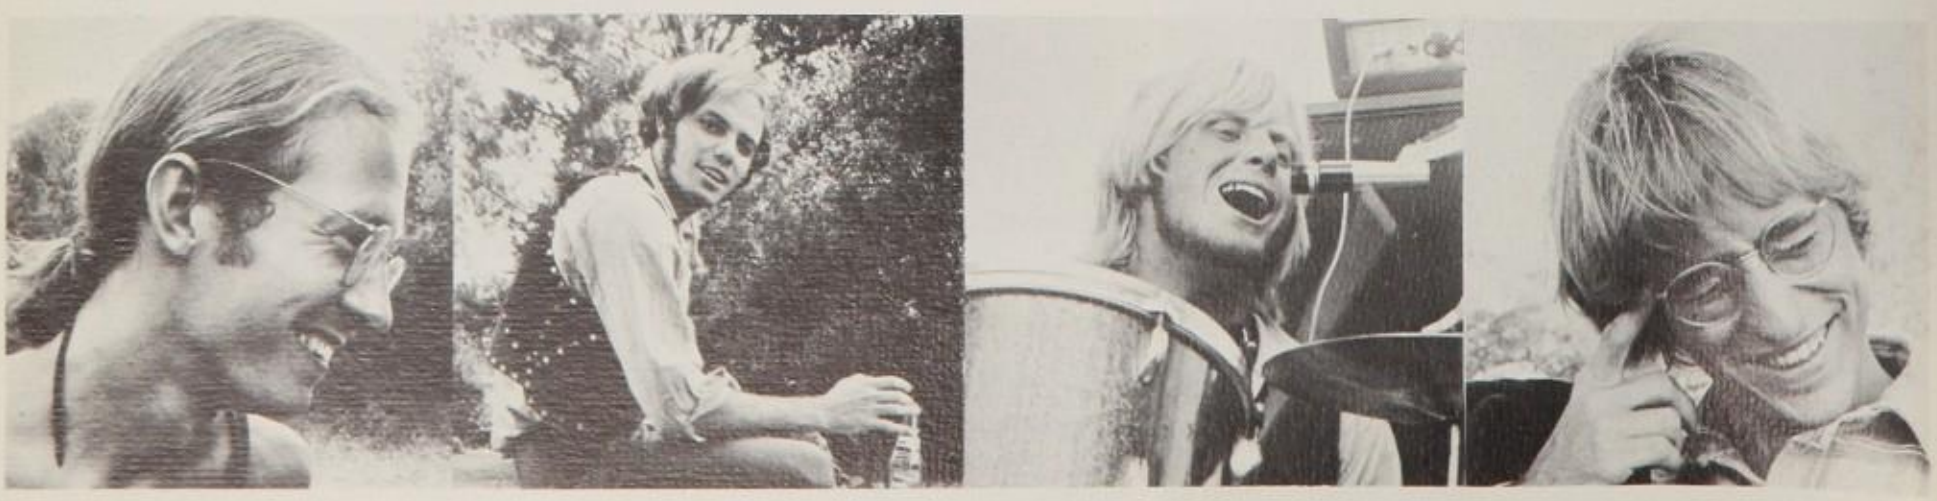
"We've Only Just Begun"

The music was playing softly, the lights were dimmed, and the two of you were there. Cleveland's annual vice-versa, sponsored by Girls' League, had only just begun. An enchanted green forest and starlit sky replaced the usual chairs and tables of D'Artagnan Hall, and Smiles, one of the valley's best rock groups, played on. The theme was "We've Only Just Begun," the title of a recent hit song by a popular new group, the Carpenters. During the band's break door prizes were awarded, with the Carpenters' hit album as the main prize. Punch and cookies were served to the more than three-hundred couples, as the dance was completely sold out. Afterwards girls treated their escorts to a late-night supper. And that's how the beginning ended, Saturday night, December 5, 1970.

Cavaliers Reap Rewards



Cleveland students were greatly rewarded for their participation in this year's Activity Card and P.T.A. Membership Drives. On October twenty-first, in return for the success of the P.T.A. Drive, Cavaliers filled the gym to hear Glass, a new up-and-coming rock group. They played many popular songs and even the Ladies of Cleveland High were dancing in the showcase room of the gym. On October 28, a new sensation in rock groups came to Cleveland and really turned on a great sound. Once again Cavaliers piled into the gym to hear the fantastic Southwind. Playing mostly numbers from their newly released album, they were enthusiastically received by the students. The members include Fontaine Brown, Erik Dalton, John Martin, and Jim Pulte. All activity card holders attended. Cleveland spirit and enthusiasm were really rewarded by two fantastic assemblies!



When and If We Seniors Grow Up . . .

Senior Activity Day is a day that all senior class members look forward to. For the first time, the senior class comes together as one group. Everyone sees their friends, meets others they didn't even know went to Cleveland, and the little kid with the braces and the bobby socks isn't a sophomore like everyone thought. Enfants du Paix, the summer class of 1971, poured out of their fourth period classes on Tuesday, December fifteenth, and streamed toward the gym for their fun-filled Activity Day. The gym was a marvel of blue and yellow as all seniors who purchased a class sweater wore them for the first time. The first activity was a mass volleyball game with at least forty seniors joining in the fun. Next, to cool off the sweating volleyball players, an ice sitting contest was held. The contestants were required to sit on the ice with, to make things tougher, a girl sitting on their lap. Later, shirtless, they had to lay on their stomachs. Brrrr! Next a pie eating contest showed that the largest stomach of the senior class belonged to Rick Moberg. Another intriguing event was the body painting contest. Kelly Beals and Alex Fielding won this one with a rising multicolored sun on his stomach and the American flag painted on his back. The three-legged race was followed by a hilarious peanut push. Each senior had to push a peanut across the gym floor—with his nose! It was an enjoyable day for the entire senior class.

"Dark of the Moon" Dramatized at Cleveland

On January 21, 22, and 23, 1971, Cleveland's drama department presented "Dark of the Moon," a folk drama by Howard Richardson and William Berney.

The story is best told in the lyrics of this ballad:

"The Ballad of Barbara Allen"

A witch boy from the mountain came
a pinin' to be human
Fer he had seen the fairest gal
A gal named Barbara Allen

Oh Conjur Man, oh Conjur Man
Please do this thing I'm wantin'
Please change me to a human man
Fer Barbara I'd be courtin'

Oh Barbara had a red, red dress
And one she had of blue
And many men did Barbara love
But never was she true

Oh you can be a man, a man
If Barbara will not leave you
If she be faithful fer a year
Yer eagle he will leave you

Oh Barbara will you marry me
And will you leave me never
Oh yes, my love, I'll marry you
And live with you ferever

Student Government — Spring 1971

Mr. Philip Berk
Advisor

This semester's Student Cabinet was really bustling with activity. Under the superior leadership of Student Body President Blair Levin, no task seemed too great. Their first major jobs, the spring sports rally and the first in a series of Friday assemblies, which were originated by this cabinet, were fantastic successes. The sports rally was absolutely the best Cleveland has ever had. It was a change of pace to see a relay competition run by teachers instead of students. L.A. Cabaret really proved that Cavaliers could be quiet at an assembly. The L.A. Cabaret, a new and refreshing professional pantomime group, was something totally different and exciting to the students. The busy Cabinet had many other bizarre happenings on its schedule such as Culture Week, an Ecology Bike Hike and fair, Spirit Week, Political Emphasis Week, a school carnival plus a fantastic variety of Friday assemblies. This year's sponsor, Mr. Berk, undoubtedly contributed a great deal to bridge the administration–student gap. The Les Mémoires staff sincerely hopes that programs instituted by this cabinet will become traditional.

The New Look!

House of Representatives

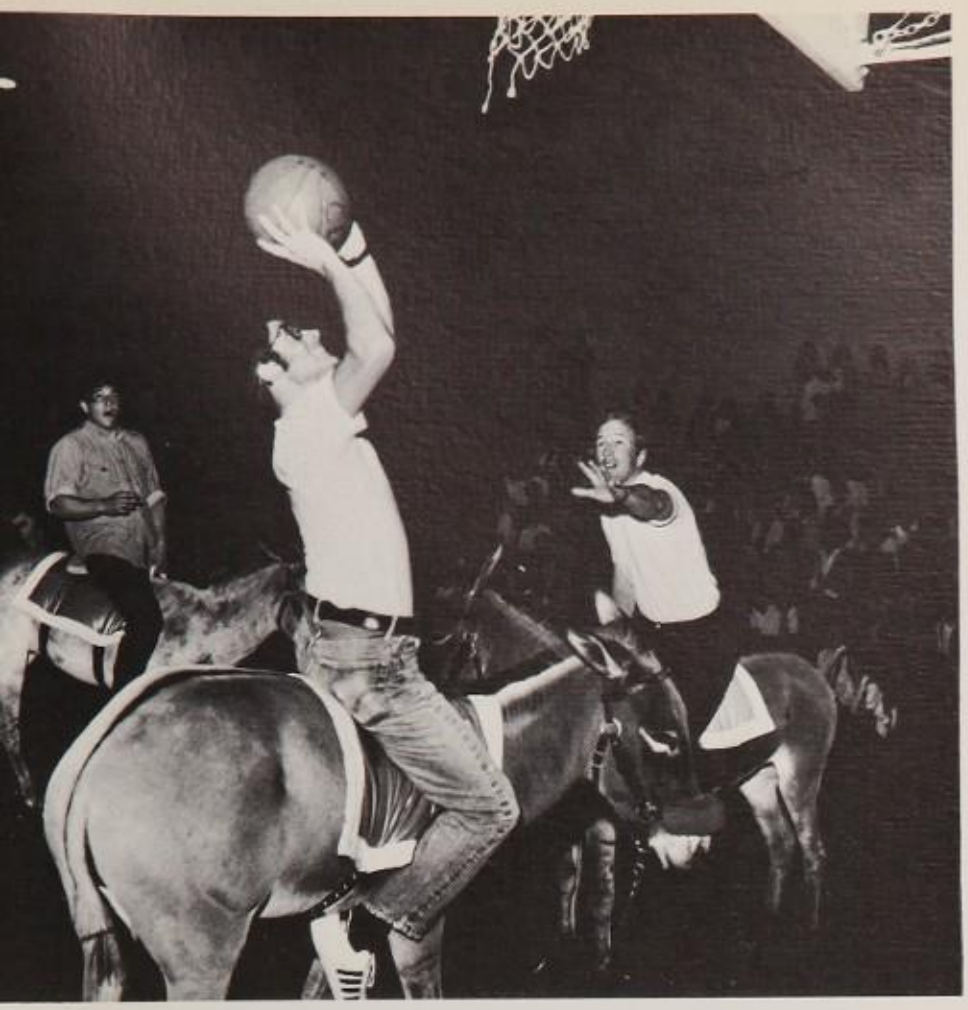
L. A. Cabaret

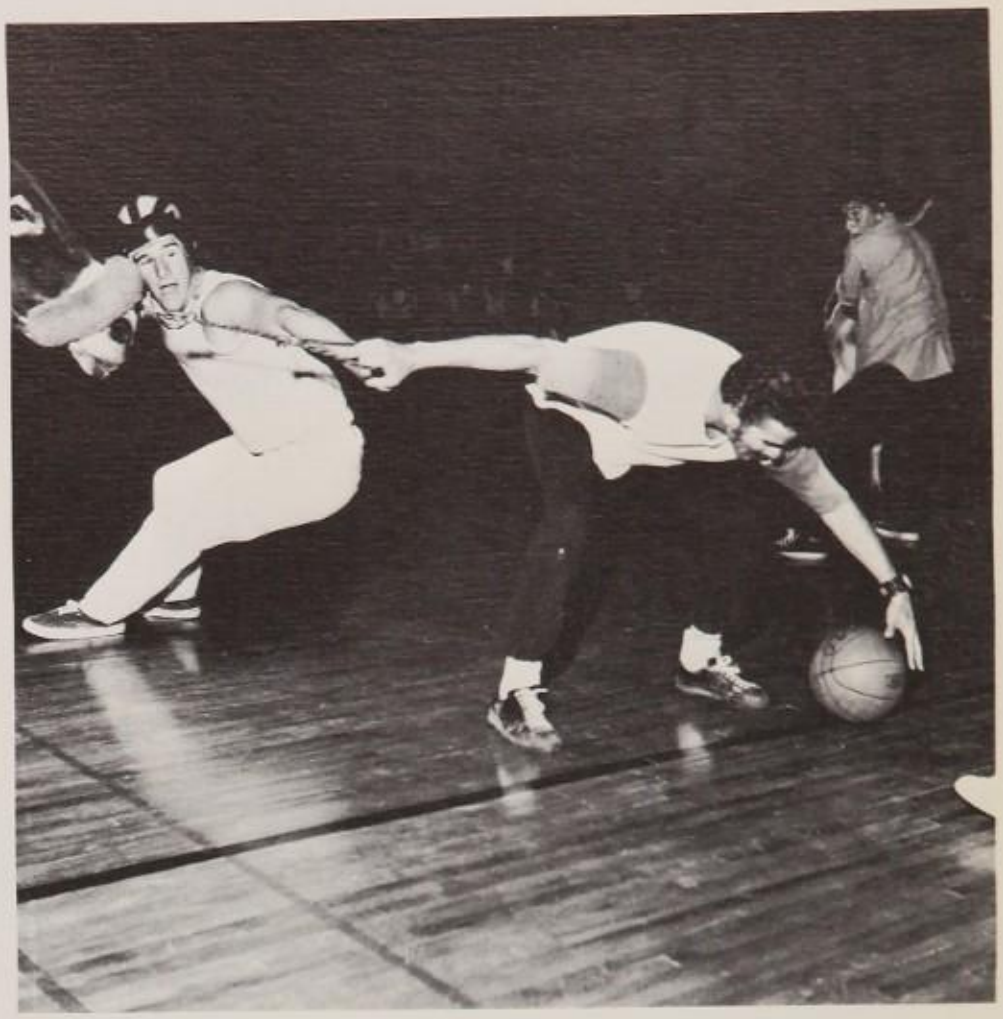
The 1A-1B assemblies inaugurated by this semester's student cabinet had a fantastic start with two entirely different events. On Friday, February 26, L.A. Cabaret happened! Unlike the usual rock bands and sports rallies which have become commonplace to Cavaliers, L.A. Cabaret supplied a new type of entertainment. A recent addition to the professional scene, L.A. Cabaret created quite a stir with their impressions and hilarious pantomime acts. A unique aspect of this assembly was the student participation. Certain audience members were selected to assist the Cabaret. One valiant Cavalier was rewarded with a kiss, much to his delighted surprise.

The second student cabinet assembly, held on March 12, featured Dave Meggyesy, former St. Louis Cardinals' linebacker, debating Channel 2 sports reporter, Gil Stratton. The discussion pertained to the controversial statements made by Meggyesy in his anti-professional athletics book, "Out of Their League." To Cavalier students who place high value on their outstanding athletic teams this assembly proved extremely worthwhile.

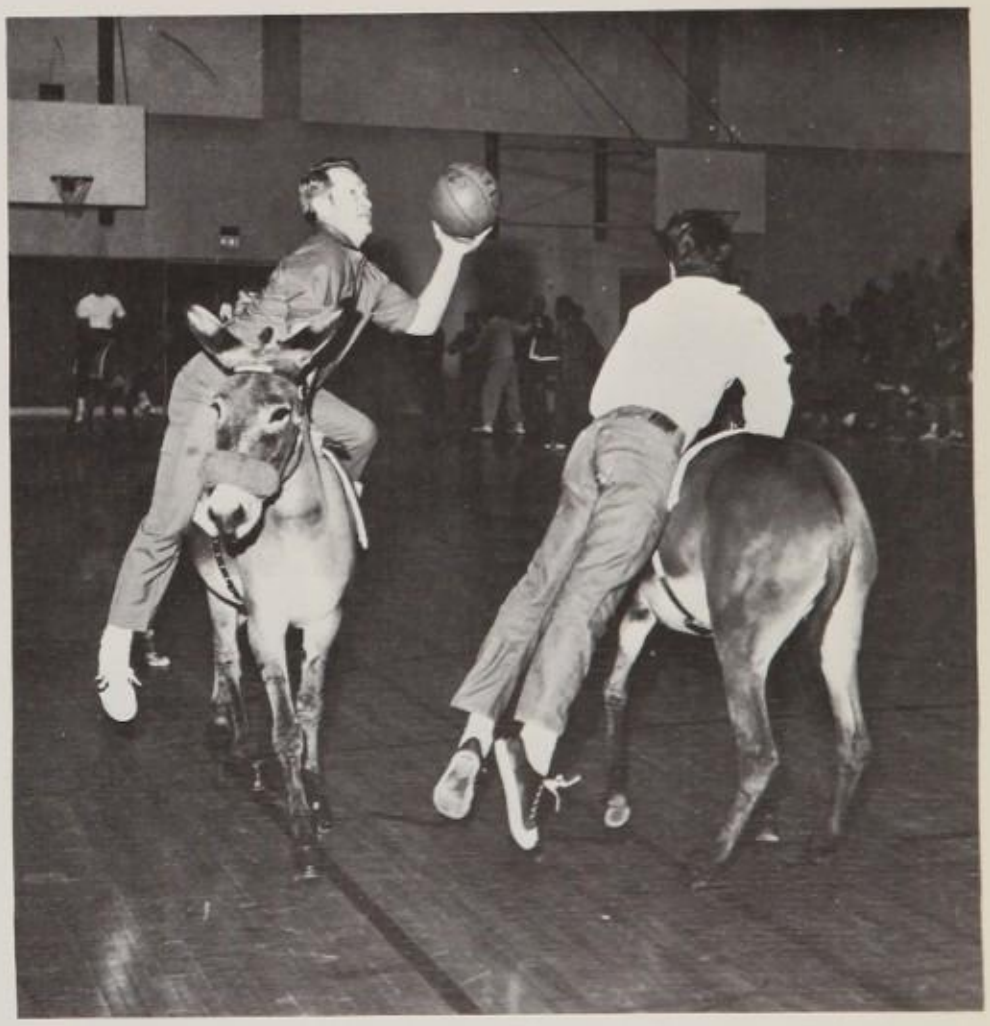
Meggyesy vs. Stratton Debate

Able Asses





Thursday evening, March 11th, Angel, Loco, and a few other friends visited Cleveland for the annual donkey basketball game. Spectators crowded into the gym as the gun sounded and the game started with a jump ball. The faculty, led by Mr. Arnie Leckman, was out to avenge last year's defeat by Varsity Club when they lost by two points. The Faculty had a bad start as the Stark/Biro team managed to monopolize the ball the first half. However, after trailing 12-18 at half-time, the Faculty rallied as Mr. Jim De Frates, Mr. Jim Cromwell, and Mr. Dave Preciado got on the ball and won with a close score 26-28. Angel, Loco, and friends, rather tired after such back-breaking ball playing, headed for their pay. And that ain't all hay, either!



"The SSS-Serpent"

Many Cleveland students viewed a new type of theatre on March 30 and April 2. The Thespians performed for them "The Serpent," a new play by Jean Claude Van Jtallie.

This type of work is called an ensemble play, there being no "stars," but instead the whole cast being featured as a single unit. The main scenes featured in this cutting of "The Serpent" were the Kennedy-King assassination, the Garden of Eden, and Cain and Abel. The play does not have a single interpretation, but affects each individual differently. However, the basic idea of the play is to express that once one man crosses a line, the rest of mankind goes with him. For instance, when Cain killed Abel, that was the first murder and no one can ever erase it.

On the evening of the 30th, "The Serpent" was entered in the One-Act Festival at Valley College. It received fantastic critiques by the judges as an excellent example of ensemble playing. The direction of Miss Victoria Francis was also very highly praised.

On April 3, the cast of "The Serpent," accompanied by Miss Francis and Mr. and Mrs. N. Alschuler, traveled to Santa Barbara for an International Thespian Conference. The conference sponsored its own one-act festival on Saturday, so once more Cleveland performed "The Serpent." Chatsworth High School also did a cutting of "The Serpent," and the Cleveland Thespians found it very interesting to watch this different interpretation of the play.

Meegan King and Teri Alschuler entered the pantomime competition at the conference and walked away with the first place trophy for "Lost Love in the Third Grade."

The Cavaliers returned home Monday evening after various workshops, a variety show, and with varied degrees of sunburn.

Drama Freaks Out!

November 21, 1970 unveiled the 25th Annual Fall Drama Festival, held this year at Beverly Hills High School.

In spite of some quick juggling of Cleveland entries less than a week before the festival, every one of our dramatists came away sporting a semi-finalist ribbon. In addition, Teri Alschuler, Alice Waznis, and Dan Ropkin dramatized their ways into the final rounds of their individual events. It was a successful festival, with Cleveland finishing near the top.

UCLA hosted the 51st Annual Shakespeare Festival on April 17, 1971. The works featured this year were "Hamlet," "Henry IV, parts I & II," and "Much Ado About Nothing." Aside from the scenes and monologues taken from these plays, Cleveland also entered into competition two of Shakespeare's sonnets and costumes by Debi Griggs.

Looking at both of these festivals, one can see that it was a good year for the Cleveland drama department!

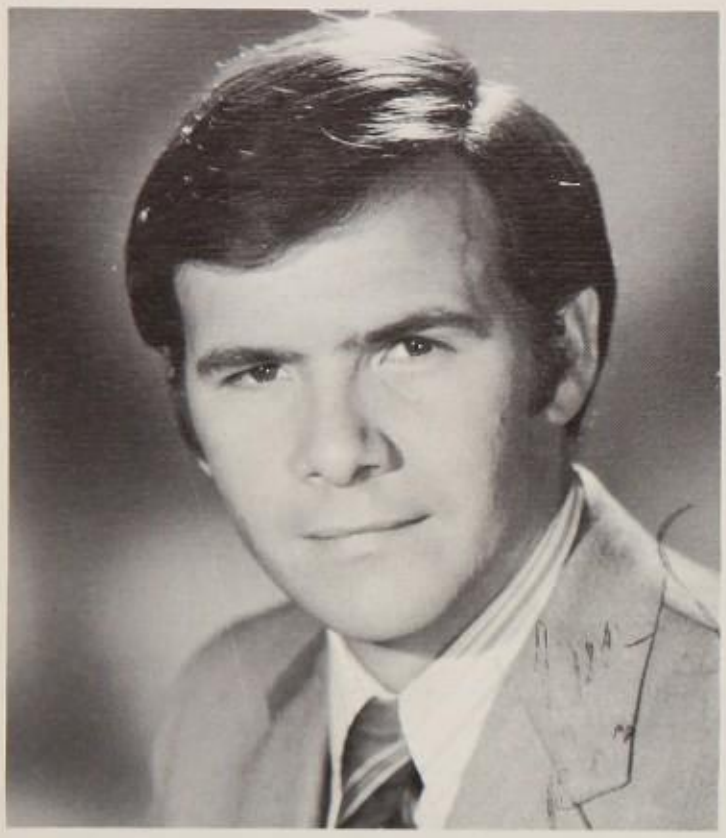
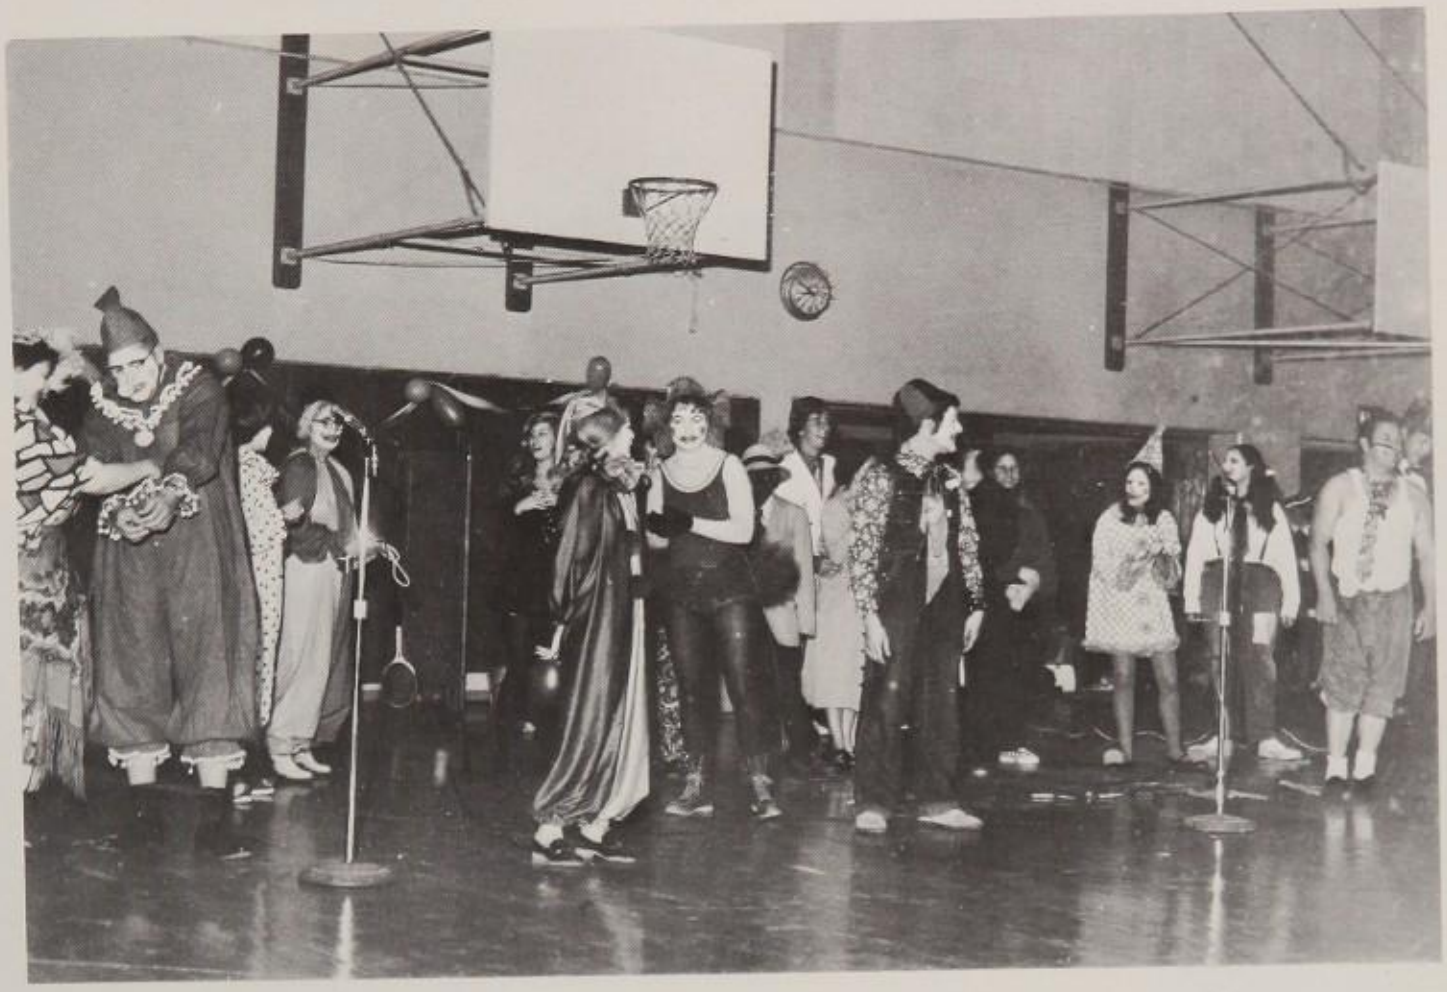
Faculty Frolics

Culture



Culture was the word around Cleveland the week of March 22 through 26. Various noontime guests were both entertaining and educating. On Monday Tom Brokaw, a television newscastor, lectured on the good and evil of his profession. Afterwards he answered questions and talked privately to interested students. This was not only an experience for Cavaliers but for Tom Brokaw as well. Tuesday brought loads of laughs and the "Marx Brothers," really Charlie Smith, a former drama student, and his friends. Wednesday, at lunch again, Irwin Kostal, famous arranger and composer, discussed his profession and gave an example of his piano playing besides. Thursday, culture came in the shape of John Byner, a noted comedian and impressionist who had appeared on several television programs. His fantastic comedy routine really brightened up that day. And Friday was pure Kulcher with another 1a-1b assembly as Cavaliers were treated to the Student Faculty Frolics. After several weeks of hard preparation the show was ready to go on. The theme was the "Circus" and that is certainly what it was. The Faculty stars included Miss Rakestraw, Miss Schendel, Mr. Verity, Mr. Contreras, Mr. Todd, Mr. Berk, Mrs. Jacobson, Mr. Edwards and others. Cavaliers knew the talents of their fellow students, but really—talented teachers? They certainly were! The faculty of Cleveland high consists of ballerinas, ringmasters, dictators, magicians, clowns, gymnasts, trapeze artists, singers and musicians. It was generally agreed that Mrs. Jacobson put the most into her performance. A fabulous ending to a busy week besides the added insight of the personality behind the desk!

Culminate Events of Week



The "Guys and Dolls" of Cleveland

Joe Swerling and Abe Burrows weaved this plot around a Damon Runyon story entitled "The Idyll of Sarah Brown." The play is about hot-shot gamblers who find it hard to choose between their girls and the rolling of the dice. For instance, there's Miss Adelaide and Nathan Detroit, who have been engaged for fourteen years because Nathan's floating crap games seem to leave no time to take vows; Sky Masterson, the big-time, free-loving rover who falls for Sarah Brown, the Salvation Army lass in charge of the neighborhood Save-a-Soul Mission. "Guys and Dolls"—a lively play with music by Frank Loesser to suit! It was directed under the supervision of Miss V. Francis.

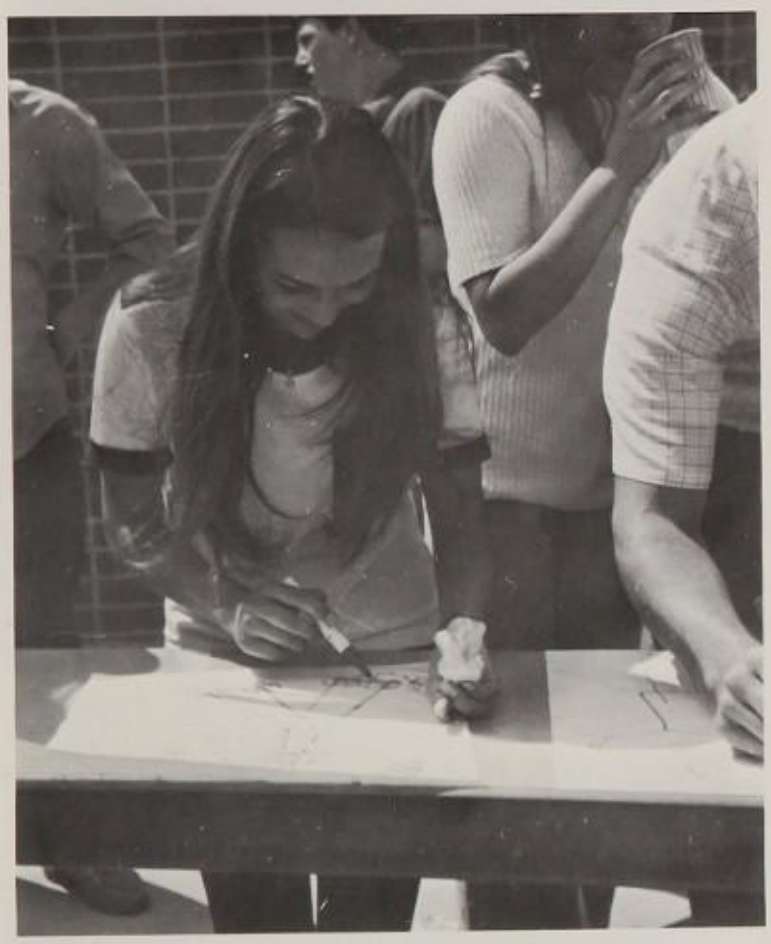
Spirit is . . .



Spirits were high as Cavaliers began anticipating the upcoming Easter Vacation. So to control all the exuberant energy, Spirit Week was held March 29 through April 2. It really proved that Cavaliers are number one in Spirit. Monday was pickle day. Pickles were sold all day for a nickle and at lunch a pickle-eating contest took place. After gulping down numerous pickles the winners, Barry Greenberg and Mary Ann DiCamillo, were crowned pickle king and queen. On Tuesday, Elda Crawford won the Sir Cavalier Drawing Contest and as a prize won a beautiful red Cavalier Cushion. Once again the fairer sex took the field, this time for baseball. It was an upset for the Cheerleader-Student Cabinet team as they lost by a score of 13-6 to the seniors. Thursday a tug of war took place on the senior quad. It was open to everyone and free candy was handed out. Friday was the Easter Egg Coloring Contest and an impromptu concert by Don Larson and John Farley. That night the Spirit Dance was held and the Spirit Court was selected. A perfect ending to a successful week.

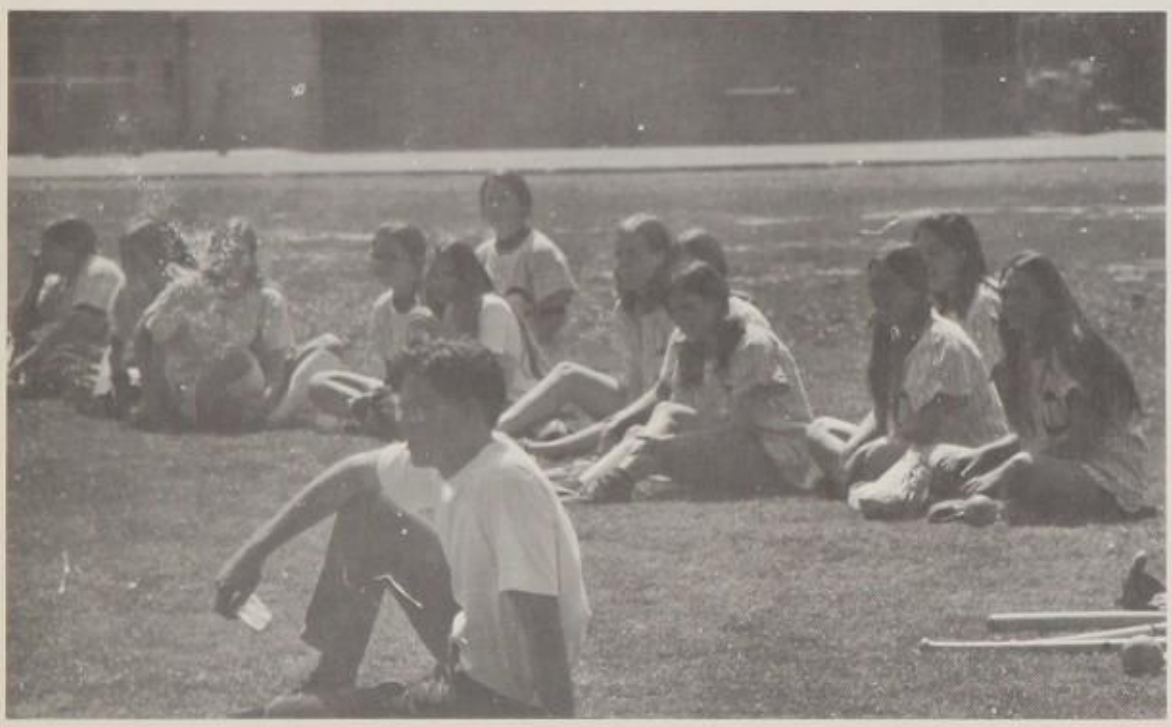
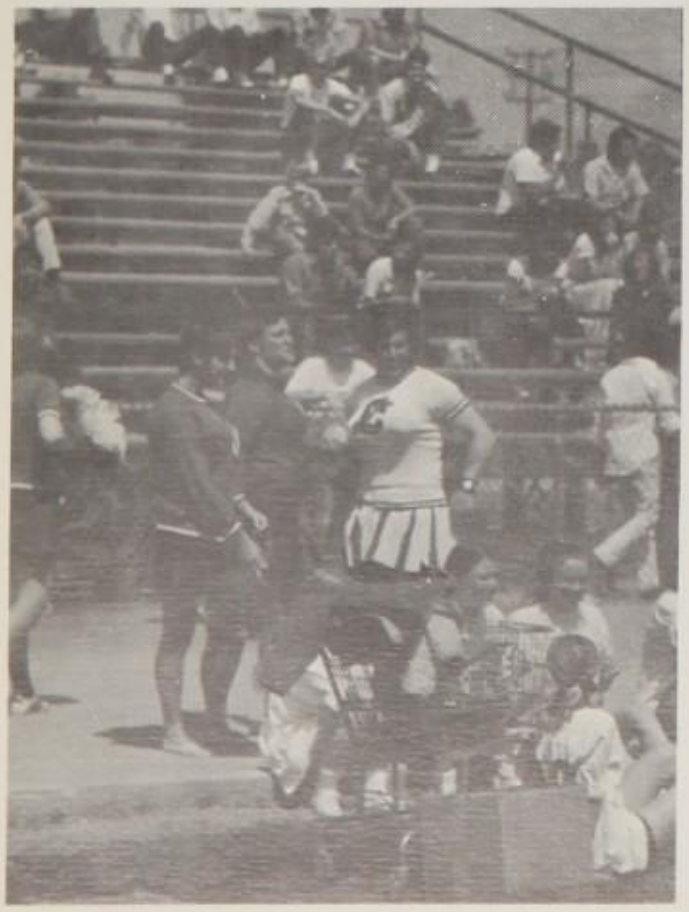
Reversed Baseball . . .





It was "one, two, three strikes you're out" as the Cheerleader-Student Cabinet Team was defeated by the Senior Team with a score of 13-6. Although the Cheerleader-Cabinet Team had "ready Rizzo" on first they also had "sleepy Stassa" out in right field. However, the Cheerleader-Cabinet team was not easily dissuaded. After the second inning score of 4-0, instead of giving up they put on the pressure, but it still wasn't enough. As customary, the cheerleaders were replaced by several sexy substitutes and the yell leaders were taken over by females. After several weeks of practice it seemed as if the Senior Team had practiced the best and the most.

Being chosen King and Queen.

Thanks to the efforts of our hard working Director of Spirit, Lori Rubin, this semester's Spirit Week was a super success. Student involvement was at its highest, especially on Pickle Day. To top off such an exciting week, an even more exciting dance was held. On Friday evening, April 2, at the Spirit Dance, the Spirit King, Queen, and Court were crowned. Feeling rather out of place dressed in formal attire at the casual dance, the ten spirit candidates awaited the coronation backstage. Finally Lori Rubin assembled the crowd and the winners were announced. The King and Queen were the very spirited couple of Don Larson and Cindy Fenwick, first prince and princess were Frank Bowling and Karen Marcus, second were Brian Biro and Mary Ann DiCamillo, third were Don Stark and Shelby Harris, and fourth were Dennis Brown and Carol Rizzo. Afterwards the five couples began the next dance, with music supplied by Milkwood. It was a fantastic way to finish Spirit Week and a groovy way to start spring vacation.

Outstanding Seniors

The Les Mémoires Staff takes great pride in presenting the Outstanding Seniors of 1971. Each student has been chosen as a representative of outstanding achievement in a specific department or major. Each has given more of himself in his field than his competitor.

The Ephebian Society is a civic betterment and service organization. Ephebians are selected on the basis of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The Society's major purpose is to focus the attention of its members upon matters of civic and community leadership, improvement, and service, and to inform and encourage the membership to actively participate along these lines.

One student from each forty, or approximately 2½% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a "B" average throughout his senior high school years.

Bank of America Zone Candidates

The Les Mémoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award candidates. The purpose of this award is to recognize and to honor outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles City School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical divisions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

The selection of certificate of plaque winners is made by the faculty of the school with the guidance and approval of the principal. The four plaque winners are pictured here and the certificate winners are as follows: Gary Hubbard, Mathematics; Peter Gross, Laboratory Science; Cathy Zion, Music; Diane Collins, Art; Jack Shear, Drama; Chris Maier, English; Adele Roberts, Social Science; Barbara Wegher, Foreign Languages; Katherine Terry, Business; Marsha Jones, Home Economics; Phil Tuttobene, Trades and Industrial Arts.

We are very proud to announce that Carol Larson and Blair Levin won first place in zone competition, and went on to compete in the final city selections.

William A. Farmer Service Award

Shelley Gibson

The William A. Farmer awards were originated to recognize two Senior students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguishes these individuals from Ephebians since the only grade requirement is a "C" average. The award was named in honor of Cleveland's first principal and is presented at the senior luncheon.

Cleveland Varsity Football 1970

PALISADES: After a successful and hard-hitting scrimage with Monroe, the 1970 Cleveland Football Team traveled to Palisades High to open the preseason schedule. The tempo of the game was evident at the opening kickoff. Battling against strong winds and a stubborn Palisades defense the Cavalier Varsity was defeated 10-0.

• • •

BIRMINGHAM: The Varsity Gridders travelled to Birmingham High as the underdogs for their second non-league contest. With a well-balanced attack and a formidable defense, Cleveland completely outclassed its foe 35-0. Quarterback Phil Kanehl tallied the first score of the night as he sneaked across with thirty-two seconds left in the first quarter. The conversion was good and the Cavaliers led 8-0. Cleveland again scored in the second quarter on a sixty-seven yard bomb to Barry Glendenning. A bobbled center on a Birmingham punt in the third quarter resulted in Cleveland taking posession on Birmingham's ten-yard line. Two plays later Tom Ghiglia scored from the three. The conversion failed, but Cleveland was on top 20-0. Another sixty-seven yard bomb from Kanehl, this time to split end Phil Barnes, resulted in the score. After a successful conversion, the defense took over and entered the final score of the night as Barnes intercepted a Birmingham pass and ran in untouched from the twelve.

• • •

VAN NUYS: On Dad's Night at Cleveland it was Van Nuys who struck first blood. They opened up with a quick score in the first period to take a 6-0 lead over the Cavaliers. However, Cleveland struck back for a score late in the second quarter as Frank Bowling, on a half-back pass, threw thirty-two yards to Barry Glendenning standing in the end zone. The Cavalier Gridders scored again with forty-nine seconds left in the third period as quarterback Kanehl rolled around right end on a keeper from eleven yards out. However, Van Nuys scored again late in the fourth period and made their extra point. Cleveland had lost 13-12.

• • •

TAFT: The Taft Toreadors met the Cavaliers for the opening regular season game. Taft scored first and jumped to a 7-0 lead in the first quarter. In the second period, the Cleveland defense recovered a Taft fumble on the Toreador's twenty-four yard line. Five plays later tailback Frank Bowling scored the first of his three touchdowns for the night from the six yard line. Again Taft scored, but Cleveland came back on a pass from quarterback Phil Kanehl to split end Phil Barnes, a run by Bowling, a pass from Kanehl to tight end Dana Cornell, and runs by Mike Nekomoto and Barry Glendenning. The drive was capped by Bowling who went in from the four. Taft kicked a field goal and at half time was leading 16-12. Early in the third period Taft recovered a Cleveland fumble and later scored. After the kickoff, the Cavaliers proceeded seventy-four yards in six plays capped by a Kanehl to Barnes pass for six. Bowling went over for the two point conversion. Cleveland scored again on a quarterback sneak by Kanehl, set up by first down passes to Barnes and Glendenning. The conversion failed but Cleveland led 26-22 at the end of the quarter. Late in the fourth quarter the Cavalier defense dug in and halted a Taft drive only to have a punt later returned for a Toreador TD. Taft again scored and led 36-26 with one minute remaining in the game. However, Cleveland would not die. Starting from their own twenty-two, the Cavaliers made it to the Taft forty-eight yard line on runs by fullback Don Stark and Frank Bowling, and a thirty-five yard reception by Frank Bounds set up the scoring strike from Kanehl to Barnes. The gun sounded and the Taft jinx had prevailed. Cleveland lost, 36-32.

• • •

EL CAMINO REAL: The theme for Cleveland's second West Valley League contest against the Conquistadores was defense. For three quarters both teams threatened many times but failed to score. But with three minutes gone in the fourth quarter, an El Camino pitch-out was fumbled and recovered by safety Breck Greenwood who ran in from the five for the score. The extra point was wide and Cleveland led, 6-0. The Cleveland defense had come through with three interceptions, gotten to the opposing quarterback seven times, and recovered two fumbles. But with three minutes left in the game El Camino scored and their extra point was good enough to beat the Cavaliers 7-6. An outstanding performance was turned in by Frank Bowling, gaining 104 of Cleveland's 109 yards rushing.

• • •

CANOGA PARK: After a bitter loss to El Camino the previous week, the Cavaliers came back and completely overwhelmed the Canoga Park Hunters. Cleveland jumped to a 6-0 lead when Frank Bowling scored from the three after linebacker Bill Nye recovered a Hunter fumble. A punt return for a touchdown put Canoga ahead at the end of the quarter 8-6. Cleveland came back on a forty-six yard Phil Kanehl to Barry Glendenning touchdown pass three plays after defensive back Bob Austin intercepted a pass and brought it down to Cleveland's forty-one yard line. Kanehl's run for two was good and the Cavaliers went ahead for keeps 14-8. Cleveland took the ball seventy yards in seven plays after intermission with outstanding runs by Bowling and Stark, capped by a five yard Bowling run through the middle. Kanehl was again good on the two-point conversion for a 22-8 Cavalier lead. Early in the fourth quarter, defensive lineman Steve Spahn intercepted another Canoga pass and Cleveland took posession on the Hunter's twenty-two yard line. Glendenning brought it to the five where Kanehl went over from the one three plays later. With a little more than two and one-half minutes left in the game, tailback Mark Correlli broke loose for a forty-six yard touchdown run to end the night's scoring. Cleveland won its first league game of the year 34-8.

• • •

RESEDA: On Homecoming Night the Cavalier Football squad easily handled the Reseda Regents, four touchdowns to one. Cleveland took the opening kickoff seventy-one yards in eleven plays with Frank Bowling going over from the three for the score. The PAT was good and Cleveland led at the end of the quarter, 7-0. At the start of the second period Cleveland moved to the Regent thirty yard line where fullback Don Stark burst through the middle untouched for the score. The conversion was good again, and after a Reseda touchdown, Cleveland led at the half, 14-6. After a scoreless third quarter, the Cavaliers came back with two in the fourth period. Bob Austin intercepted a Regent pass on Reseda's twenty-four yard line and streaked down the right sideline for six. The final Cavalier touchdown came with two and one-half minutes left in the game. Quarterback Kanehl scored from four yards out to cap a sixty-three yard drive and the game, 26-6. Cleveland's rushing game was fantastic, led by Stark and Bowling with 156 and 86 yards respectively, with an outstanding performance by defensive tackle George Sandusky.

• • •

CHATSWORTH: The Cavalier Varsity met the Chatsworth Chancellors to close out the 1970 football schedule. Cleveland could have ended the season with a 5-0 league mark instead of 3-2 had the breaks gone their way. After a scoreless first half in which neither team generated much, the Cleveland defensive squad went to work. Frank Bounds returned a Chatsworth punt forty-one yards for the score to end the deadlock. The point-after-touchdown by Chuck Herman was good and Cleveland led 7-0. With less than five minutes remaining in the third quarter, Frank Bowling went in for six more points and Cleveland was leading 13-0, set up by Bill Nye's fumble recovery on the Chatsworth forty-two. A Frank Bounds interception at the Chancellor twenty-five made way for the Cavaliers final touchdown. A twenty-one yard run by Jim Tindell to the two-yard line was followed by Phil Kanehl's scoring pass to Tom Ghiglia. Cleveland won its third in a row, 19-0.

Junior Varsity Football is probably the most underrated and overlooked sport at Cleveland High. An outstanding coaching job by Ray Todd should not go unrecognized. The team works as hard as the Varsity or the Bee's, even though it does not draw the large crowds.

This year the J.V. team opened its season against Pacific Palisades and suffered their only loss of the season, 26-8. Next was Birmingham and Cleveland ambushed the Braves 24-8. The following week, the Cavaliers went wolf-hunting and brought home victory number two, 19-0 over Van Nuys. The week after, a tough defensive battle with Taft was broken wide open following a Doug Green interception for six points. In the second half Cleveland put it away 20-6. In came the tough Canoga Park Hunters the following week, who had previously been undefeated and unscored upon. Cleveland ruined their chance of a perfect season in the second quarter. Steve Perron capped a sustained drive with a touchdown and Rich Gussman added the extra point that was to become the winning margin. The final score was Cleveland–7, Canoga Park–6. At Chatsworth the Cavaliers ended the season in a bruising game. Playing without their first-string quarterback, who was sidelined with injuries, the J.V.'s nevertheless carried home the victory with a great team effort, 17-14. The Cleveland Junior Varsity team ended the season as the number one in the valley with a five-win, one-loss record.

8 and 0, Way to Go!

The Cleveland Bee Football Team, after a successful 7-0-1 campaign and league championship last year, were out to better that record this year. With twenty returning lettermen and a half-dozen outstanding tenth-graders, Coaches Tom Hansen and Dave Preciado were determined to build another winning team. And that's exactly what they did. The team won its second league championship in a row and were the only Bee team in the San Fernando Valley to go unbeaten and untied.

The Bee's opened their season by travelling to Palisades High. Battling against an agressive Palisades team and high winds, the Cavaliers came out on top 12-8 on the running of Bill Kennedy and the pass-receiving of Kevin Cleary, each of whom scored a touchdown. Against the Birmingham Braves, the Bee team showed great offensive and defensive balance. The 19-6 victory was highlighted by Neal Drell's interception return for six points. The next opponent for Cleveland was Van Nuys. Keith Fagan, replacing the injured Bill Kennedy, did a fantastic job in relief and scored two touchdowns for the Cavaliers. Bill Hardin grabbed a fourteen-yard scoring toss from Sam Adkins to complete the scoring as the defensive team registered their first of three shut-outs for the year. The final score: Cleveland-18, Van Nuys-0. The Cleveland Bee's were now ready for the league opener with Taft. Out to avenge a 42-14 defeat two years ago and a scoreless tie last year, the Bee's completely overwhelmed the Toreadors 39-6. Greg Porter, moving from defense to offense, scored three times in the rout. Against El Camino, Cleveland was involved in one of the hardest hitting Bee games in a long while. Jeff Hall scored one touchdown and threw for another with the defense scoring twice. Dennis Brown ran an interception back seventy yards for a score and defensive end Russ Davey picked up a Conquistadore fumble and rambled in for six points. It seemed as if the offense had done the last of its scoring for the year as far as the last three games were concerned. Against Canoga Park, Cleveland was involved in a titanic defensive struggle. There was no score for three quarters until Greg Porter, late in the fourth period, spurted forty yards with the game's only score for an 8-0 victory. The defense did a great job as back Mark Baratta came up with two key pass interceptions to halt Hunter drives. Going for the league championship against the Reseda Regents, Cleveland again won. Quarterback Jeff Hall had a hand in all the scoring as he sneaked for one touchdown and passed for another while the defense shut out its opponent for the third time this year, 14-0. The championship having been won the week before, the Cleveland Bee's were going for their first 8 and 0 season with only Chatsworth remaining. Cleveland jumped to a 12-0 lead on touchdown runs by Keith Fagan and Jeff Hall but had to hold on to preserve the victory. Cleveland had won again 12-7.

The yearbook staff, on behalf of the student body, wishes to congratulate Coaches Hansen and Preciado and the entire team on an outstanding season.

Cross Country, a sport not largely attended spectator wise, should have been this year as Cleveland's Varsity Cross Country Team turned away all its competition in a perfect 7-0 season.

Major contributors are pictured on this page in their effort to bring Cleveland just that much closer to the top of the West Valley, and the crown.

In the City Finals our Varsity came out rather well, finishing seventh best out of the fifty contending high schools.

Cleveland Varsity Basketball 1970-71

The Varsity Basketball team had a rather disappointing season this year, by turning in a record of 3-11. However, the team gave the front runners a rough time when pitted against them, as was shown in our 51-37 defeat over the first place Chatsworth Chancellors.

In his first year at Cleveland, coach Jim Malousis had a rather difficult task with only two returning Varsity lettermen, one of whom was Greg Rehberg. Greg was noted for his aggressive playing style and leaping ability under the boards. As a result he finished with 140 rebounds and an 8.7 point average.

The other returning letterman was Bob Austin. Bob utilized his tremendous agility and quickness to make fantastic passes and moves.

Tom Lewis, who came up form the Bee's, was the nucleus of our scoring attack with a 15.0 average that made him the seventh leading scorer in the Valley. Along with his shooting Tom had 29 assists and came up with 12 steals for a commendable individual effort.

Among those returning next year will be eleventh grade center Dave Wogahn. Dave was a regular in the starting five and made his presence felt with 110 rebounds and a 6.5 average. Two more returning juniors are Mark Johnston and Rob Trafton, plus tenth grader Pat Fisher.

Junior Varsity Champs

This year's Championship Junior Varsity Basketball team (12-2) gave Cleveland students somewhat of a preview of next year's Varsity and from the looks of it, Coach Malousis has the basis of a top-notch cage team. Heading the list is junior guard Dave Howley, playmaker and leader in assists with 50. Dave hit 38 percent of his shots for an average of 15 points a game.

Next are two sophomore standouts: Jack Olsen and Mike Weiner. At the center spot, Olsen displayed great versatility by grabbing 186 rebounds and 26 steals while contributing a 10.4 average and 29 assists. Weiner, a quick-moving forward, established himself as a threat with the ball as he totaled 214 points and was the team's leading scorer. The other forward was Tom Fink. Tom helped out in the rebound category as he snared 109 missed shots and compiled a 6.7 average. Others aiding the cause were Dave Vann (5.8), Don Young (5.7), and Chad Fenwick (4.2).

Bee Basketball

The Bee's started their season in good form by winning their first five encounters and racking up 105 points in two of them. From there the league toughened but we came out with a record of 10-4 and third place. Leading the scoring department was Bill Hildebrandt with 140 points and a 10.0 game average. Next in line was Sean Walden (8.8). Sean also helped with the rebounding chores by hauling in 65. Dave Pierce (6.5) proved invaluable with his play-making ability, plus a total of 41 assists. He also added spark to our defense by picking up 32 steals. Dave Glover (5.8) and Eric Schwarz with 83 rebounds closed out the starting five. Others aiding the cause were Mike O'Donnell (5.4) and Bruce Mateko (2.6).

In previous years our Cee teams haven't caused that much excitement in their league races. However, this year's team provided those who happened to be watching with some real eye openers right down to the final buzzer. The starting five was comprised of two returning juniors, Mike Newbold and Al Hasson. Newbold compiled a point average of 6.8 while making off with 30 steals. Hasson with an 8.5 average added 105 rebounds and 26 assists.

The first-year men consisted of Don Palmer (8.7) 113 rebounds, 41 recoveries; Dana Stewart (9.0) 104 rebounds and 22 assists; Tod Silk (9.2) and 27 steals. Altogether the team hit on 60% of their shots, ending up quite a memorable season.

United Spirit

True Cavalier spirit came through once again as this semester's spirit squad cheered our teams to victory. Working hard over the summer months, and continuing throughout the term, our fantastic pep squad proved that practice does indeed make perfect. Led by fiery head yell leader Mark Glenewinkel and vibrant head cheerleader George Simon, the squad performed as a close-knit family to add a piercing enthusiasm to each athletic and social event. Under the direction of Mrs. Diane Bennett and Mr. James Anderson, our spirit squad spread through the stands the feeling that, win or lose, the Cleveland Cavaliers are Number One.

Cleveland Varsity Baseball 1971

TAFT: After compiling a rather successful non-league record of 2-1, our Cavalier Varsity hosted Taft's toreadors in their league opener. Pitcher Bobby Austin put the opposition down in the first two innings with noticeable ease. However, the third inning resulted in somewhat of a nightmare as Taft took advantage of a timely error and tallied three times. Things began to brighten in the fourth inning as Phil Barnes led off with a double; Gary Stephens and Bill Ganssle drew walks to load the bases. Chuck Herman promptly doubled to center, scoring two and we were back in the game. In the fifth inning Jeff Gilbert and Barnes drew walks; then with two out, Tom Ghiglia singled home Gilbert to tie the score at three all. We failed to retaliate after that and Taft broke the tie in the sixth with one run and added another in the seventh. Final Score: Cleveland -3; Taft -5.

EL CAMINO: In league encounter number two, Brad Ayres started the game but got himself in a hole when the Conquistadores came up with a lead-off triple. The next batter sent a dribbler down to shortstop Phil Barnes who attempted to get the man at home, but a bad throw resulted in El Camino's first run. Lightning struck twice in the third as Ayres gave up three consecutive hits in the form of a single, double, and triple. Jeff Gilbert came in to relieve and retired the side. Finally in the fourth inning the Cleveland bats began to draw blood, but it was only a scratch. Tom Larini walked and Tom Ghiglia singled him to second. With two out, Chuck Herman sent a shot between second and first, scoring Larini. But that was all El Camino would allow. Final Score: Cleveland -1; El Camino -3.

CANOGA PARK: The Varsity traveled to Canoga to tackle the league leading Hunters. The "little green men" started rolling with a run in the first, but that was all that happened until the third inning. Gary Stephens singled and Steve Haglund doubled him home. Rod Thomas walked and pitcher Jeff Gilbert doubled in two more. Tom Ghiglia followed with a single to score Gilbert. However, Canoga wasn't to be outdone and collected two runs in the fifth and tied the score with one in the sixth. But the Cavaliers weren't through and Gary Stephens led off with a single and scrambled around to third on an error. Bill Ganssle walked and stole second. With the go ahead run standing on third, Jeff Gilbert stepped in and singled him home. Next, Tom Larini tripled but missed second, so Ganssle's run counted but Gilbert's did not. Final Score: Cleveland -5; Canoga Park -3.

RESEDA: Due to some excellent pitching by Bob Austin and a big inning run-wise, we registered our first victory in West Valley Competition. Austin held the Regents down until the fourth inning when the lead-off batter walked and moved across to third on a missed pick-off attempt. The following batter pulled a drive down the third base line, where Rod Thomas made a picture play by making a diving stop, cutting the run off at home. However, Reseda got another chance and cashed in on a triple with a man on second. The Cavalier bats didn't show any signs of life until the sixth when Rod Thomas and Tom Larini both got on and Gary Stephens singled Thomas in. Larini scored seconds later on a single by Phil Barnes. The onslaught continued with back-to-back doubles by Frank Bowling and Steve Haglund scoring three more runs. When the dust settled we were sitting pretty with a five to one lead. The seventh and final inning saw Reseda put up a vain attempt to rally, but were only able to get one run out of it. Final Score: Cleveland -5; Reseda -2.

CHATSWORTH: Coming off two consecutive wins, the Varsity were pitted against Chatsworth. This was probably the biggest defeat we suffered in the first round this year. Along with being shut out, we were only able to account for two hits. At one time we threatened to score by filling the bases, but nothing came of it. The Chancellors were able to capitalize on two rallies for a total of four runs. Final Score: Cleveland -0; Chatsworth -4.

Pictured below is this year's Varsity Baseball starting nine which displayed a well-rounded attack, both in defense and offense. Heading the pitching department was Bob Austin, last season's J.V. Player of the Year. Right behind him were the able arms of Brad Ayres and Jeff Gilbert. The starting infield will all be returning next year except for shortstop Phil Barnes, whose batting ability will be missed, as well as his glove. In the outfield Coach Preciado will have to fill Frank Bowling's spot. Frank was a main cog in our outfield's success in the past seasons. Other graduating seniors will be Bill Ganssle and Jim Tindell, so as you can see, next year and the year to come will be promising years with the returning juniors and sophomores.

With the arms of Steve Wolter and Mike Weiner and the bats of Bill Hardin, Bob Young, Larry Brown and Frank Bounds, the J.V.'s have totaled a record of 7-3 as of press time. These fine prospects and several others could very well make-up the nucleus of next years Varsity.

Coach Dave Kurtz

The 1971 Cleveland Track and Field team was a well-balanced mixture of experience and inexperience. After an undefeated season and a league championship last year, the Cavalier tracksters were out to defend their title this season. However, injuries to key performers slowed them down and they were not able to capture their second circuit title. Coaches Jim Cromwell and Dave Kurtz are, nevertheless, in charge of the greatest group of athletes in this school's history. In the sprints and distances, field events and relays Cleveland had fine performers. Senior Barry Glendenning and junior Dave Howley led the Cavalier sprinters in the 100 and 220 yard dashes and the 440 relay. The hurdles, one of Cleveland's strong points, was led by Gary Hubbard in the 180 lows and Kevin Cleary in the 120 highs, with assistance from Tom Smith in both. Probably Cleveland's most outstanding events were the shot put, 440, and 880. Chuck Wilson, the Cavalier's top putter for three years, set a new school record with a put of 55 feet 1½ inches, breaking his old mark. He was backed strongly by Bill Nye. Cleveland's greatest athlete has to be the phenomenal Brent Tubb – defending state mile champion and holder of quite a few school records. Brent stepped down from the mile until city competition to compete in the 440, 880, and mile relay with Greg Porter and Tim Ruston. Brent also tried long jumping at midseason and is the team's top leaper along with Barry Glendenning. George Marshall and Tim Smith in the two mile, Pete Holm and Phil Kanehl in the pole vault, along with tough seniors Russ Stoddard, John Spear, and Dave Cunningham in the high jump kept the team in competition. Both coaches deserve the credit for guiding their team to another successful season in the tough West Valley League.

Cleveland's fine hurdlers (from left to right) Kevin Cleary, Gary Hubbard, and Tom Smith, make a mad dash for the finish line after clearing the last hurdle against El Camino.

This season's teams show many fine prospects for Varsity stardom and are the future of varsity success in the upcoming years. Under coaches Cromwell and Kurtz, these young men are being groomed to meet this challenge.

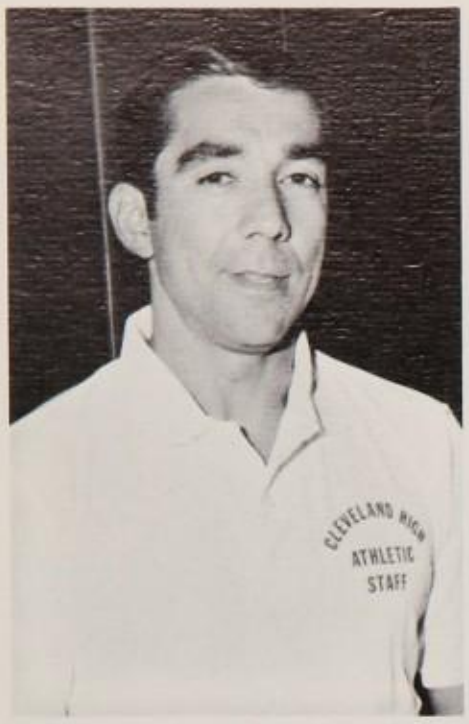
Cleveland Varsity Gymnastics 1971



Coach Ernie Contreras

Cleveland's 1971 Varsity Gymnastics team got off to a fine start under the new city scoring system with convincing victories over Verdugo Hills and Grant in pre-season competition. The team captured seven out of the nine events, with Bob Nunn taking four events including "all-around," against Grant. A close and tough loss to Taft was followed by a decisive victory over El Camino Real. Our Cavalier musclemen are expected to go far this year under the watchful eye of Coach Ernie Contreras, hoping to win their remaining three meets and finish no worse than second in the final league standings. The team is composed mostly of seniors, strong in all areas and highly competitive. They will almost assure Cleveland and the West Valley League representation in the city finals.

Leading the team this year are nine returning lettermen, all with considerable skill, strength, and experience. Lloyd Ballow and Ron Cookson on rope; Dick Del Giorno on side horse; Mark Denny on rings; tumbler Scott Dorsey; Mark Johnson on rings and parallel bars; Jeff Lulla competing in free exercise, tumbling, and rings; Guy Sanderson in free exercise, side horse, parallel bars; and our all-around good-guy Bob Nunn, in six events including free exercise, tumbling, high bar, and long horse are all exceptional in their individual events. Other outstanding team members were Paul Harvey, Casey Mahoney, William Rhodes, and Paul Tornbom. All members contributed greatly to the team effort and those returning next year are guaranteed success under Coach Contreras.

Cleveland Varsity Swimming 1971

Cleveland's 1971 Varsity swim team, under the guidance of Coach Steve Schofield, did not enjoy as fine a season as expected, but are well against the exceptionally tough league competition. The high spot as this book went to press was the 54-41 preseason victory over Van Nuys. And against the rugged Taft Toreadors, the Cavalier frogmen ran up more points than any other team. This season's swimsters were led by seniors Rick Dryer, Bill Prinzing, Wayne Reeves, Phil Tuttobene, Eric Van Duser, and Louis Weber, with great support from juniors Kevin Baral, Brian Biro, Mike Brown, and Gary Leeds. Divers Jim Owen and Arlo Paulson contributed greatly to the team effort, gaining many valuable points.

Cleveland Varsity Golf 1971

This year's Cleveland golf team, under the eagle eye of Cleveland High's resident pro-Coach Ray Todd, are in the midst of an exciting new season and could finish high in the final West Valley League standings. Their serious competition seems to be from Taft and Chatsworth, but the Cavaliers are confident.

Returning from last year's team are seniors Mark Correlli, Bob Johnson, Jeff Kerr, and Mike Nelson. And with promising tenth and eleventh graders led by Eric Rennecker and Terry Bogle, respectively, Coach Todd can look forward to many successful seasons.

Cleveland Varsity Tennis 1971

The 1971 Cleveland Tennis team opened the season thoroughly thrashing the Verdugo Hills team 7-0 and earning a 4-0 pre-season record. A loss to Taft, followed by a victory over El Camino got the team off and on their way to the top of the league.

Coach Arnie Leckman has molded together experienced sophomores, juniors, and seniors into quite a well-balanced unit. Behind the singles racketeering of seniors Ron Saunders, Mike Montana, Blair Levin, Mike Ferrarese, and John Eberle, the Cavalier net squad has the experience and skill required to carry the team in the league matches. The doubles teams are lead by the Sam Atkins-Chad Fenwick line, both tenth graders, Steve Portnoff-Steve Purvis, and Mark Phigler-Jeff Markle. The eleven men making up the smallest varsity team in the school are looking forward to having a good season and Coach Leckman is the man to guide them to it.

Fall G. A. A 1970

Once again G.A.A. did their thing in Tennis, Bowling, Touchdown/Basketball, and Advanced Basketball. The Tennis team made a fine showing considering this was their first competition with other schools. The Bowling team really had fun competing against each other once a week. At the end of the semester trophies were awarded to the first and second place teams and a grand booby prize to the last place team. Touchdown/ Basketball was the more popular sport, probably because it offered a variety. Touchdown scored the first ten weeks, while Basketball hooped the remaining ten. It was the largest group of girls in G.A.A. The sharpshooters (alias the Advanced Basketball team) worked their hardest this past semester competing against such schools as Birmingham, Chatsworth, El Camino, and Granada Hills. The girls excelled in sportsmanship and had a lot of fun besides.

The Future Teachers of America, under Mrs. R. Dakos' directorship, prepare themselves for future occupations in teaching. Highlights of their club meetings involve various guest speakers who discuss opportunities in the field of education.

Student Conservation Corps' purpose is to create a general awareness of the increasing danger of pollution in our environment. The club hopes to involve and incorporate the community, the students, and the city in the fight to save the human race and the earth. Within the past year Student Conservation Corps members have participated in a pollution faire, several re-seeding programs, trips to City Hall hearings, and trash clean-up projects in Chatsworth.

And their perfection showed on Friday nights as they marched to their own magnificent music.

Here Steve Paul was honored with the John Phillips Sousa Award, and Mark McEwan and Janet Kinsey with Most Improved Members. But this event does not end the band's contributions to school activities. This last semester Girls' League has proved to be a bit different. Instead of the normally elected representatives from P.E. classes, the meetings have been open to any and all girls. Again under Miss D. Ayala's sponsorship, Girls' League came up with new ideas. In the Spring Cleveland's Girls' League exchanged ideas with the Girls' League from Miller at a luncheon. And once again the League has sponsored the semi-annual Vice-Versa and hosted the traditional Girls' Week.

As in previous years, Boys' League sponsored their annual car show, giving the boys a chance to enter their cars in competition in different classifications. Again Boys' Week brought opportunities this year for boys to participate in government, and law enforcement. A different and new event was the Boys' League vs. Faculty basketball game.

Editor-in-chief

The Cleveland student body depends upon the bi-monthly publication of its school newspaper, Le Sabre, in order to become better informed with the past and future activities of school. But this is only a small portion of the great work that goes into the production of our paper. Sports highlights, the Outstanding Cavalier, the Cavalier Coach, editorials, and short stories give additional interest to Le Sabre.

Under the sponsorship of Mr. R. Hyde, both the Le Sabre Staff and Journalism II make up the thirty editors and reporters who produce the paper. The paper is printed by the third period Graphic Arts class under the direction of Mr. L. Holden.

Speech Team 1970-1971

Cleveland's forensic year for 1969-1970 closed on a memorable note. The time was the UTLA strike against the Board of Education; the place, Loyola University; and the event, the NFL District Qualifies. When the awards were announced Carol Christy became the first Cavalier to represent the district at the NFL National Tournament in Kansas City, while Cleveland's superlative team received the Perpetual Trophy.

When the fall semester began in September a strong team embarked on another forensic year. First event of the year was the Novice which Cleveland won with a handy assist from a superlative Novice Debate team. Medals were awarded to the teams of Lynn Campbell and Becky Lewthwaite, and Bob Petrilak and Jeff Schaeffer.

Three Cavaliers earned medals: Cal Leuning for Oratorical Interpretation, Mike Lopez for Humorous Interpretation, and Michele LaGoy for Original Oratory.

Certificates of superiority were awarded to Shawn Tolmas, Rick Bagel, Don Kruger and Alex Fielding for dramatic interp; Pete Burczik, Richard Weinstein and Debbie Mihara for oratorical interp; Carlyn Munn for oratorical analysis; Sean Gavin, Mike Shedd and Debbie Gold for humorous interp; Peter Thommen for original oratory; and Rick Bagel and Lynn Campbell for impromptu speaking.

In spite of the excellent showing by the Cleveland squad, the Cavalier Speech and Debate team were unable to surpass the Van Nuys team, and thus placed second in all divisions at the JV tournament held at Burroughs High. Cleveland did receive the Interpretive trophy and individually many Cavaliers received honors.

The Novice debate teams of Chuck Zigelman and Maria Maier, and Isabel Nagy and Karen Christianson received medals while Alex Fielding and Shawn Tolmas received silver medals for dramatic and humorous interp. resp.

Certificates of Superiority were awarded to Alice Waznis, Rick Bagel, and again Shawn Tolmas for dramatic interp; Dave Howley and Neal Greenbaum for oratorical interp; Lynn Campbell for extemporaneous speaking; Alice Waznis and Mike Lopez for humorous interp; Rick Bagel for impromptu speaking; Gail Burwell, Michele LaGoy and Peter Thommen for original oratory.

At the Varsity Speech and Debate Tournament held here at Cleveland, the Cavalier team was presented the Sweepstakes Trophy for Interpretive Events. Overall Cleveland placed third behind Van Nuys and Birmingham ahead of Notre Dame, Gardena, and Fremont.

Individually the Cavaliers, despite the apathy of most of our seniors, received many awards. Gold medals were awarded to Alice Waznis and Alex Fielding for dramatic interpretation.

Awards of Superiority were awarded to Michele LaGoy for expository speaking; Alice Waznis for humorous interpretation; Kathy Babcock and Jack Shear for program reading; Neal Greenbaum for impromptu speaking; Charles Zigelman, Robert Petrilak, Neal Greenbaum and Neil Ohlenkamp for debate.

Coming back with a vengeance, Cleveland's Speech and Debate team captured the Grand Sweepstakes at the Spring Novice held at Birmingham High. Birmingham placed second and Van Nuys third.

Paula Fernandez and Julie Norstrand were awarded medals for dramatic interpretation.

Certificates of Superiority were presented to Don Kruger and Dan Ropkin for dramatic interp; Pete Burczik, Carlyn Munn, and Mark Kruger for oratorical interp; Julie Wiggenhorn for expository speaking; Peter Thommen for original oratory; Donna Harvey for program reaing; Dan Ropkin and Anne Riddle for humorous interp.

Although losing to both Van Nuys and Birmingham in the overall sweepstakes, Cleveland's Speech and Debate team captured the trophy for Interpretive Events at the Junior Varsity Tournament held at Marshall High.

Medals were won by Meegan King for dramatic interpretation and Mark Kruger for oratorical interpretation.

Awards of Superiority were presented to Rick Bagel and Meegan King for humorous interpretation; Mark Ulanovsky for impromptu speaking; Wendy Lockwood for both program reading and dramatic interp; Julie Wiggenhorn and Sharon Golden for expository speaking; Alice Waznis for dramatic interp; Terri Fearing, Neal Greenbaum, and Karen Christianson for oratorical interpretation.

For the last S.C.F.A. tournament of the year, the Cavaliers traveled to Monroe for the Spring Varsity. Only one Cleveland forensic student received a gold medal–Mark Kruger for oratorical interp–but a number of Cavaliers were presented with Certificates of Superiority: Wendy Lockwood, Alice Waznis, and Paula Fernandez for dramatic interp; Debbie Mihara and Teri Fearing for oratorical interp; Dan Ropkin for humorous interp.

A week later the forensic year ended at San Fernando Valley State College where the State Qualifier was held. A novice, Mark Kruger was the only Cavalier to qualify for the State Tournament, however other Cavaliers received recognition. Jack Shear placed sixth in program reading while Meegan King placed sixth in dramatic interp. Semi-finalists included Bridget Flanagan, Wendy Lockwood, Alice Waznis, Gail Burwell, Neal Greenbaum, and Kathy Babcock.

Stage Crew

Both of these crews speak for themselves. Stage crew is a group which is responsible for building the sets for Cleveland's productions. All the technical aspects of a Cavalier production under the direction of Mr. H. Brafstein. Sound crew is in charge of the daily announcements over the public address system and the announcements at all football games. Their mentor is Mr. L. Theroux.

Drama Club

Drama Club is the organization for hams–understandably, it's one of Cleveland's most popular clubs. Meeting every Thursday during lunch, these Cavaliers discuss various aspects of the theater and act out improvisations, as well as occasionally criticizing a choice scene from one of the drama classes taught by sponsor Miss V. Francis.

The National Thespian Society is the honor organization for drama students. A minimum of ten points is required for membership in Thespians, the points being earned by participation in drama festivals and plays. As is Drama Club, Thespians is sponsored by our own Miss V. Francis, president of the Drama Teachers Association of Southern California.

Girls' Glee

Girls' Glee represents Cleveland's female vocal talent. Under the direction of Mr. R. Jenkins, these girls make infrequent but welcomed performances.

Choir, a coed vocal assemblage, practices daily to prepare for various assemblies and singing at graduation.

Spanish Club, under the sponsorship of Mr. Lira, is a new contribution to this year's clubs. It is for any students interested in the Spanish-speaking people and their culture. Recently, they donated a dinner and tree to a needy family as a Christmas project.

Les Memoires Staff

Here sits the stupendous Superbook Staff, taking a look back at the rough and adventurous trip through Yearbook class this past year. Yes, believe it or not, just as there are drama and athletic "freaks," so there are "Yearbook Freaks." Led by the most dedicated "freak" of us all, is Our Chief . . . . Mr. Anderson, who was not only our leader, but our personal confidant, and number one chopper . . . . right Mary Ann and Sandy?

Because of the size of the group (would you believe twelve) it didn't take long to know and understand one another. Within days anyone on the staff could have told you where Bill Nyes' third period class was, mainly due to the fact that we had to go there so often to retrieve our loyal editor, Shelley Gibson. Cindy Fenwicks' mood of the day could be determined merely by the clacking tone of her typewriter (which by the way, no one was allowed to touch). Mary Ann DiCamillo, our Student Activities editor, would be the first to notify her fellow staffers a deadline was approaching by screaming. Not only did Mary Ann worry about her own section, but also everyone else's! After notified of an upcoming deadline Sandy Wilshusen, Clubs and Organizations editor, set about preparing a post-deadline party. Which is more important Sandy?? Glenn's delicious cheesecakes and Vince's choice ice cream always made our parties complete—if not nutritious. It is not surprising that Sandy centers all her efforts around staff parties, considering she has an uncontrollable passion for any and all food!! When it comes to the boy problems of our Copy Editor, Pam Benson, no other can be topped. Her worst problem however, was when Mr. A. would find as many as ten 'misstakes' in a copy of fifteen sentences. The sound of snickering can be heard emanating from Athletic Section editors "shy" Tom Kellogg and "sarcastic" Mark Baratta as they sit comparing off-colored thoughts. Meanwhile, Laurie Cook who sits in the front seat with her art work, always finished ahead of time, was able to help the rest of us meet our deadlines. Blue-eyed Bob Johnson, our Senior editor, in the hinterland section of the room, sits quietly and nonchalantly even when he has 25 unfinished pages soon due. (He leaves the worries to Mary Ann and the legwork to everyone else.) This year we did something new. We gave underclassmen individual pictures. Little did they know that they had Glenn "Mother" Owen clucking over them like a mama hen. Yet all his fussing, worrying, and running around trying to coordinate picture with name was finally achieved. Our two photographers, Mark Ferrier and Vince Cavataio, showed up for class only on rare occasions, and for very different reasons. Vince comes when he smells food, with melting ice cream in hand, and to aggravate and torment Wilshusen. Mark comes on grade day, (Give me an AEE), and to see Pam Benson. Mr. Snider, the same man you may see going all-out to take pictures for us, can always be relied upon to return pictures sized and perfected as quickly as one day after they were given to him. The man with the Bullwinkle watch and carrot in hand, is our jolly American Yearbook representative, Mr. James Powell. (A special thanks to both of them for all their help.)

After an experience like this we can truthfully varify that this is the best class we have ever been in. You've seen that there's fun and parties, but only to celebrate our meeting of nerveracking deadlines which must be perfect just for you. We the Yearbook Staff of 1971 hope you enjoy our work as much as we enjoyed doing it.

Underclassmen

Sophomore Leadership, Yeomen, and Marquisettes are three of Cleveland's Underclassmen clubs. Each allows 10th and 11th grade students to become part of special activities of the school. On May 22, 1971 Cleveland held its first Junior Prom in her history. The theme of the evening was "Love Story" and D'Artagnan Hall never looked so romantic, with quotes from the book spotted throughout the hall. The music was provided by Perfection as the Class of 1972 danced and enjoyed themselves at an evening they will long remember.

Pictured at right is Brian Biro, who was president of the junior class for the entire school year 1970-1971.

Miss Dorothy Rakestraw
Principal

"The Changing of the Guard"

Miss Johanna Hofer congratulates Miss Dorothy Rakestraw on becoming Cleveland's fourth Principal.

Mr. David Fogerson, Registrar; Miss Zoe Bromley, Head Counselor; Miss Dorothy Schendel, Girls' Vice Principal; Mr. James DeFrates, Boys' Vice Principal.

The friendly greeting "Good morning Cavaliers, this is Miss Hofer at the console," will be heard no more by the students at Cleveland High School. So ends an era. Miss Johanna Hofer, our chief administrator for four years, has moved on to greener pastures. Her tireless enthusiasm promoted great school spirit. We could always count on her support at our athletic events. She was always eager to listen to us, and in turn we respected and listened to her.

To those of us who have known no other principal, Miss Hofer, big in stature with a heart to match, seemed irreplaceable.

—But there is always sunshine after the rain, and our sun comes in the bright and shiny person of Miss Dorothy Rakestraw. Miss Rakestraw is no stranger to the halls of Cleveland. She has been Cleveland's Girls' Vice Principal for twelve and one-half years. Those who know her are impressed with her efficiency, wit, and wisdom which she now demonstrates as our chief administrator.

Miss Dorothy Schendel has very capably stepped into the position of Cleveland's Girls' Vice Principal, and we are sure she will have a long and pleasant stay.

Mr. James DeFrates, our Boys' Vice Principal, is past master at communicating with students, but he still works constantly to improve the rapport. His concern and enthusiasm for the students of Cleveland High makes him the perfect complement to our school's outstanding and dedicated administrators.
